

## Diploma Castles of Spain 1.0

After 18 years, the creation of the Diploma Castles Spain (DCE), the Cultural Association Amateur Costa Blanca (ACRACB), in collaboration with the Diploma Castles Spain (DCE) into the air a new version of the Diploma Castles of Spain, DCE 1.0, a modern version adjusted to our time, with innovations and changes.

The purpose of this new project is to promote our history, castles, fortifications, watchtowers, watch, etc.

The Diploma Castles of Spain, DCE 1.0 will air from the day 01/01/2012. Everything will be new and will not be combined with the previous DCE, it is a new version, which can be activated all references, as if previously they were not activated, will also serve for new generations of amateurs, enjoy the radio in these new activities castles.

We know in advance that they will have many questions, questions, whys, but our answer is one: to make this diploma resurgence, and then be what once was.

Many will think that the work done so far to no avail, but it will not, because that work will continue to recognize to the DCE Therefore, all activities since the creation of the

DCE to the start date of the new version DCE 1.0, may continue endorsing no deadline, we encourage you, to all who may have outstanding to ask diploma or endorsements with previous activities to the start date of the new DCE 1.0 version, you can continue to do so: DCE @ ea7gxp .com Such requests shall be governed by the initial basis and may not be added to the new version DCE 1.0.

In this project, we hope to count on the support and collaboration of all of you, our primary purpose, as always, is to promote amateur radio, to provide a little more our culture, our land and charms that she got.

We encourage everyone to participate in this new project, any information, pictures, documents and videos are grateful to debug the list, both to expand references as to replace those who were castles and fortifications in its day but now it's just a I remember.

From that date, the Costa Blanca Amateur Cultural Association launches the new version of the Diploma Castles of Spain, DCE 1.0, according to the following rules.

- 1.- This Diploma Castles of Spain, DCE 1.0, starts and will have force and effect as of January 1, 2012. Since this is permanent.
- 2.- At any amateur can access Diploma in possession of officially licensed and listeners (SWL). This diploma is international.
- 3.- References will be the same as the existing ones.  
All of them are allocated as follows: In all cases the initial C (Castillo) followed by the letter of the province, plus the reference number assigned. For example the reference number one of Madrid serious: CM-001, the CA-001 Alicante, Cordoba CCO-001, Guadalajara CGU-001 and so on with the various provinces.
- 4.- The diploma will be awarded in the following modalities Phone, CW and MGM (modes generated by machines).
- 5.- The expeditionary station must pass by the castle, fortification, wall, tower, etc., to no more than 200 meters. For exceptional cases and providing sufficient data, consult with the direction of DCE even when an activity is done from home itself.
- 6.- To be accepted activation should the operator station on the air broadcasting a minimum of 1 hour and included in the list at least 100 statements.
- 7.- The DCE has enabled a link on the website where you can announce the activities,

can not be announced over 4 activities within 15 days.

8.- No activities may announce indicative of third parties, allegedly after changing them by own callsign or other indication.

9.- If two indicative match to activate the same reference on the same day, will be given priority and validity to that which was first published on the website. Canceling what has been announced in second place.

10.- only accept and validate a reference by day with the same indication.

11.- To validate the activity will be necessary to send the entire log with the contacts made and photographs that should be clearly transmission equipment, antenna and the reference to: [dce@acracb.org](mailto:dce@acracb.org).

If you can not make as written above, you must send a short video of the activity, it is recommended together with documentation of the activity. As a last resort you are asked photographs from both sides of the reference, and from the teams, capturing the google earth or google maps, pointing the location.

In the log the callsign used, as well as operators of such activity should appear, to credit them operating all its members.

12.- The maximum for receiving logs and graphic support, period shall be 10 calendar days from activation. These should be sent in Cabrillo and ADIF format. After this period and the entire absence of any documentation, the activity will be canceled. This activity will be included in activities invalidated Web DCE.

13.- The logs, received, can not be changed, except for correcting erroneous indicative only and only if it was requested by the head of activation.

14<sup>o</sup>.-Check Logs: On our website there is a space created for consultation, where the castles worked every indication is displayed, for it must be a registered user of DCE 1.0.

15.- The DCE shall not require the QSL cards for contacts made to validate applicants Diplomas or awards, as this process shall be computerized and is governed by the log received. It is a free choice of expeditionary confirmation or otherwise of the contacts made with QSL cards.

16.- The DCE reports that, once received and reviewed the logs, they will be submitted for validation to the Manager Diploma WCA World Castles.

17.- For the purposes of validating an activity, you can not repeat an earlier reference made to last at least one year, except in special cases, which should inform the DCE.

18.- not be accepted communicated through bridge stations or repeaters, third parties or entries in the log of dummy stations, voice or phone bridges. This would be liable for penalties or termination of the activity.

19.- Not be valid contacts bands and / or cross ways.

20.- The legal author of the log, pictures and videos gives the right of these supports the DCE, to publish on its website and social networking page.

Any participant Diploma Castles Spain, DCE 1.0, indicating that changes will have no problem crediting references already had worked previously at the time of request or order awards. To add references indicative worked with the old and the new, you should contact both indicative DCE1.0 indicating that you can proceed to change.

21.- shall be valid contacts with portable stations and / or mobile always proving such condition they are required to do so.

22.- Prizes will be awarded in different categories, being able to make contacts with the various castles in any way, and authorized by current legislation bands. It is not mandatory to request any awards to participate in the Diploma or to appear in the rankings.
